STUTTGART
AGAPLESION BETHESDA KRANKENHAUS

Assistant doctor (m/f) for further training in orthopaedics/trauma surgery or special trauma surgery

The clinic has 40 beds and specialises in trauma surgery, endoprosthetics and shoulder surgery. We are looking for a doctor with a particular interest in trauma surgery, shoulder surgery, endoprosthetics and basic knowledge of visceral surgery to join our young, committed team.

AGAPLESION is a modern healthcare company consisting of the association of social hospitals, nursing facilities and training centres. We have set ourselves the task of uniting excellence in medicine, nursing and management with Christian values. And this is exactly what distinguishes us: patient-oriented medicine and nursing according to acknowledged quality standards.

By means of our in-house nursing schools and the academy, we ensure that our employees are always up-to-date. We offer perspective and future in a dynamic company - for people who want to do meaningful work.

AGAPLESION's promise to its employees:
- Intensive professional and methodical improvement
- Systematic advancement of executives
- Individual personnel development
- Fair compensation and collegial cooperation
- Meaningful work, work-life balance
- Working environment adapted to the needs of all generations
