AGAPLESION
Our values unite

Medical Assistant (f/m) for the Central Emergency Unit for further training in internal medicine/ general medicine (from December 1st, 2011)

We are a big central emergency unit with 14 treatment areas, including CPU and emergency room. Also we are a regional trauma center and we have extensive diagnostic capabilities. We have regular working hours (no night service, no work on Sundays). A rotation in the interior departments is possible and a collegial interaction is self-evident for our institution. We expect you to have professional experience of one year or more, preferably in internal medicine.

AGAPLESION is a modern healthcare company consisting of the association of social hospitals, nursing facilities and training centres. We have set ourselves the task of uniting excellence in medicine, nursing and management with Christian values. And this is exactly what distinguishes us: patient-oriented medicine and nursing according to acknowledged quality standards.

By means of our in-house nursing schools and the academy, we ensure that our employees are always up-to-date. We offer perspective and future in a dynamic company - for people who want to do meaningful work.

AGAPLESION's promise to its employees:

- Intensive professional and methodical improvement
- Systematic advancement of executives
- Individual personnel development
- Meaningful work, work-life balance
- Working environment adapted to the needs of all generations

Assistant doctors or consultants (m/f) full or part time

The Department of Internal Medicine cares for a wide range of internal diseases with intensive care with 3 artificial ventilator beds and associated dialyse. The hospital emergency vehicle is staffed with the internal medicine assistant doctors. Both chief physicians Karl Andreas Berg and Jens Reinbold are authorised to provide the complete further training in internal medicine. We would be particularly pleased about the application of doctors who have already gained experience in internal medicine.
